Baked Squash, One Dish Meal

On the chilly autumn days when it's comfortable to use the oven for preparing the evening dinner, plan to serve baked acorn squash.

Your family will appreciate both the stick-to-the-ribs quality and the variety that baked acorn squash affords to the routine of the week's program of meals.

Baked acorn squash can be a full meal in itself, before the baking process, you place in each half of the squash several already-cooked and drained pork links.

Besides all the tasty nourishment of the honey and squash and pork sausages, baked acorn squash has the advantage of being easy to prepare, a boon to busy mothers.

After your few simple steps in preparation, the oven will take care of the rest and keep the squash ready until the moment of serving. Follow this recipe for best results.

- Baked Acorn Squash**
- 1 acorn squash
 - 4 small pork sausage links
 - 4 teaspoons honey
- Wash and dry squash and cut in half lengthwise. Remove seeds. To each half add 2 teaspoons honey. In the meantime brown sausage links, drain and put in each half about ten minutes before squash is done. Bake covered in 350 degrees F. oven 30 to 40 minutes. Serves two.
- Note: A teaspoonful of honey added to one cup of carrots, green beans, beets, peas, squash, tomatoes and sweet potatoes helps to bring out their flavor.
